

You now hold the key to Kenya's countless safari opportunities, ranging from traditional safaris in the wild and visits to coastal paradises, to cultural tours and mountaineering. This website is designed to provide you with a one-stop shop for all your safari needs, ranging from information about Kenya's tourism product to details of tour operators who can cater for your needs.

If you are looking for a Tour Operator, please visit our Member's Directory or request for a safari quotation using the link provided on the left of this page.

A word of caution it has come to our attention that a number of tour companies deliberately attempt to deceive unsuspecting travellers that they are members of KATO. Any company not listed in the members section in this website is NOT a KATO member and there is no exception to this rule.

Please exercise extreme caution in any dealings with a company that is prepared to deceive you about its membership status and report all such incidents to KATO for follow up.
